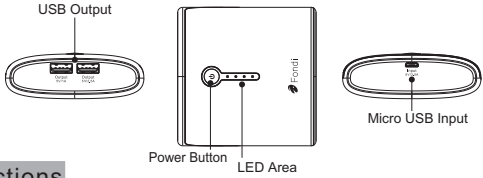
Specifications

Battery Type : Lithium Ion
Capacity : 12000mAh
Compatibility :
Any iPhone, iPod or iPad
Any Android Phone or Tablet
USB charging devices such as Go Pro or 3DS

Input : DC 5V,2.5A
Output : DC 5V,1A / 5V,2.5A

Package Contents

1 x SMPCC01-D Power pad
1 x User Manual
1 x USB to Micro USB Charging Cable



Instructions

1. To charge the SMPCC01-D,plug the micro USB end into the Input port and plug the USB end into an active computer or a 5V AC/DC adapter. The Status Indicator will begin to flash.
2. To charge your electronic device, plug the USB end into the Output port and plug the micro USB end into your device. Press the Power Button to begin charging. If your device came with its own USB cable, we recommend using that cable to charge your device.
3. To check the status of your battery, press and hold the Power Button. The color of LEDs that light up indicate the current status of the battery.

1 LED : 0%-25%　　2 LED : 25%-50%
3 LED : 50%-75%　　4 LED : 75%-100%

General

1. To maintain optimal batter performance, discharge and charge the Power pad at least once every 3 months.
2. The Power pad will take longer time to fully charge when connected to a computer. We recommend charging the Power pad overnight. Using a 5V AC/DC adapter to charge the Power pad may reduce charging time.

Warranty Information

· Fondi offers a 1-year limited warranty for hardware defects.
· Warranty does not cover problems caused by misuse or mistreatment of the product.

WARNING

· Do not expose to moisture or hot climates for extended periods of time.
· Do not disassemble, puncture, drop or submerge in liquids.
